II. Meeting Registration

The attendees must fill in the <u>registration form</u> attached to the invitation email that you have received and send it back duly filled in to the email address <u>info@smpg.info</u> <u>for February 26th, 2020</u> <u>at the latest</u>.

You will then receive a confirmation of your registration back via email (in the next couple of days).

<u>Late registration</u> will be subject to approval by the host (due to the logistical aspects of the organisation).

Remark about having more than one NMPG representative per WG:

<u>NMPGs may send a second representative</u> per Working Group and the local NMPGs are allowed to send "observers" to the SMPG (in addition to the official NMPG representatives) in so far as the meeting room capacity allows it.

In those cases, the registration of the second representative and of the observers will be subject to approval by the SMPG General Secretary or Program Director at registration time based on the capacity of meeting rooms provided by the host.
